SCADAPack x70 RemoteConnect
Function Block Programming Class
April 21-23, 2020
8:00am – 4:00pm
Corte Madera, California

Schneider Electric

20 Contact Hours

Sage Designs is hosting this 3-day course for programming x70-series SCADAPack Controllers with RemoteConnect Unity-based programming software.

Course Description: This three-day hands-on course is designed to give each participant a detailed introduction to the SCADAPack x70 controller series (SCADAPack 47x and 57x) and RemoteConnect, its configuration and programming tool. Topics include system configuration using RemoteConnect to configure communications protocols, point addressing, and SCADAPack x70 variable types, introduction to the Unity based logic editor, and the use of scanners and function blocks to access remote data.

This is an expanded version of the Schneider Certified Remote Connect training course which includes several exercises designed to emphasize features of the x70 logic engine including creation and use of custom function blocks and other programming features.

Instructor: Tony Sannella, Sage Designs, a Factory-certified Instructor.

Location: Best Western Corte Madera Inn, 56 Madera Blvd., Corte Madera, CA 94925, Directions to Hotel. (10 miles north of San Francisco). Those requiring overnight accommodations wishing to stay at the Best Western: call 1-415-924-1502, or Book online.

Who should attend? Individuals interested in participating in a highly technical basic course on the Schneider Electric RemoteConnect function block programming software & how it applies to SCADAPack controllers. Experience with controllers or other programming is highly recommended.

What should I bring? Attendees to this course must bring a laptop computer running Windows 10 or above with working USB and Ethernet ports. Your laptop must have RemoteConnect installed prior to arrival. To download RemoteConnect, click here. If you do not have access to a laptop, please ask us to arrange for a rental unit.

What is provided? Continental breakfast, lunch and coffee, soft drinks and snacks each day.
